

## Championship Committee Annual Report April 2020

It was a disappointing finish to the 2019/20 Bowling season with the State Championship Week being cancelled. To all the winners that were heading to Shepparton you are still winners in our region. Our health is more important to us all and you can all enter these events next season and try again to be a winner. We had a record number of entries this season, so the championship committee will be looking at using more clubs as we will have to have more days to cope with the increase number of entries. We are waiting on Bowls Victoria to send out their program for the coming season then we can work on our events calendar. These events would never happen if it was not for the co-operation of all clubs and their volunteers. The Championship Committee thanks all clubs and volunteers for their dedication and diligent work throughout the season.

Congratulations to all winners and we hope all bowlers have a healthy and safe winter.

Championship Committee: Bev Weir, Wendy Ballentine, Margaret Reing & Jacqueline McLaren
